 Big Junior. You'll see
 this summer. Maybe see
 you out to the Ranch some
 time. Remember all the fun
 we had at the talkings we had
 at noon. Yours Truly
 James O.

We the class of 1960, in grateful apprecia-
 tion for your patience, effort and the time
 you have spent in teaching and advising the
 classes at SHS, dedicate the 1960 Redman
 to you.

Hi Squar

See why, just think, another
whole year of school shot. I guess
I'll have to admit that it was
really a blast.

Im really looking forward to
the lake parties we re gonna
have this summer. Real Drunks!

Don't ya ever forget those
real fun house parties we re
had this **FOREWARD** last year,
say the one when we made
it till?

This 1960 edition of the Redman has been
published with one aim in mind, to capture the
events of a year in tangible form and to hold
them securely between two covers.

Man, do you actually think
we just might flunk English
together, might we not, I sure
hate being alone. I sure
No, I can't sum
to think a memory of you. I see
you.

It is then, our function, as staff and editors
of the Redman, to preserve these memories, and
present them year after year to the minds of our
graduates. With this in mind, we the staff of your
annual, proudly present to you the 1960 Redman.

Have a ball this summer
and take it easy. All the
Watertown, Andover and Britton
guys, will ya?

Didn't mean
to write so sloppy
forgive me
sure
Diana

Bye bye
have a good time,

Love ya Always

but these last four years of HS are the best
of your life - Take it from your big Sis!

Boy, we sure have been having one roaring
ball this last year, though, haven't we? I'll
out the pages of this annual with innumerable
memories of the past, so I won't elaborate -
but I can't help but mention a few - such
as Prom Night - I still chuckle everytime
I think of it.

to take care of that place for us OK?
I'm really looking forward to this

Boy, you're gonna "toe the mark" - but
that's not saying too much if you keep up
with me -

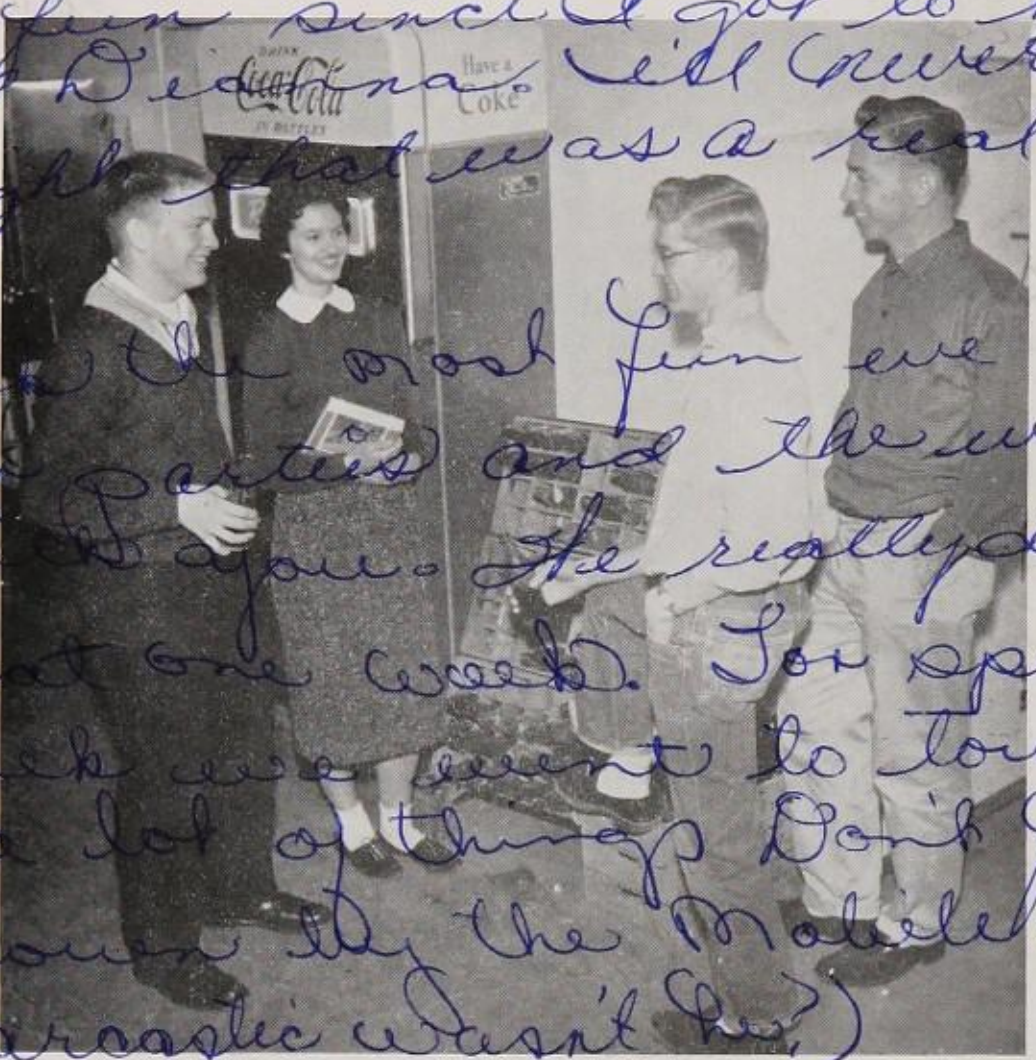

Well, I am about out of room - but
"Once a friend, always a friend," & I sincerely
believe in that little philosophy. I'm sure
gonna miss everyone, & all the good times -

I'll I guess this is about the end of our school life together. I sure have had fun since I got to know you and Dedina. I'll never forget from night that was a real blast, wasn't it?

SENIOR CLASS OFFICERS

I think the most fun we had was the senior parties and the week I stayed with you. He really did a lot in that one week. For spending only a week we went to town and sure did a lot of things. Don't forget I'll sit down by the Mobile Station (quite sarcastic wasn't he?)

LEFT TO RIGHT—President, George Twitero; secretary, Delores Fordahl; treasurer, Charles Gieson; vice president, Sherman Laubach.

This summer I really have to have fun if I stay around here. I sure hope I do. I hate to leave now that we've had so much fun.

Senior Class History

We the class of 1960 proudly submit a record of our four years at Sisseton High School. As Freshmen we were over 120 in number and eager if not experienced. We won two Homecoming prizes for our float and skit. In our Sophomore year we greeted the Freshmen with their annual party. At Homecoming we again won prizes for our float and skit. We were honored to serve as waiters and waitresses at the Junior-Senior Banquet. The Junior year was a busy year for all in our class. Our first big project was the Alumni Supper served the evening of Homecoming. It was a huge success, and we won the "Best Class Float" award in the Homecoming parade competition. Next was the class play, "The Perfect Idiot," which was a hilarious comedy directed by Mr. Tollefson. Then came the biggest task—prom and banquet for the Seniors of 1959. After choosing an Oriental theme we went to work and produced one of the most beautiful settings ever seen in prom history. The Seniors had the most beautiful float in the parade, a vision of multi-colored napkins. Many of the Seniors took the lead in group and club activities, but our biggest triumph was our scholastic record, we had 14 honor students and many more students with records that spell success. The Senior class play was an adult drama entitled "Double Door." It was acclaimed as a fine production.

Now as ninety-four seniors look back on their high school years they see a fine class and many life-long friends. After our Commencement exercises close we will take our stand in the world of tomorrow as the Class of 1960.

On December 9, "The Eager Miss Beaver," a comedy in three acts, was presented. The play, directed by Mr. Donald Miller, with fine co-operation from the cast, combined to produce a fine play.

The Junior class candidates for the Sweethearts Festival were Beverly Horton and Jeffery Lohre.

Members of the class worked at selling concessions at the basketball games to increase the class treasury; the funds being used to present one of the biggest events of the year—the Junior-Senior Prom and Banquet, held on April 23. The theme of the Prom and Banquet was an original and colorful setting, "Paradise of the Deep."

This year has been a very successful one for the Juniors and they are looking forward to returning in the fall of 1960 as mighty Seniors!

Sophomore Class History

The Sophomore class began their year by giving a party for the incoming Freshmen. We showed our initiative by building a beautiful float for the Homecoming parade which won the best class float.

Our class, besides having a good scholastic record, is active in many extra-curricular activities. Our boys in basketball, football and track have a very good record. There are 17 Sophomores in band and 19 in chorus. Our enthusiasm and school spirit was shown many times through the year, but especially by winning the pep jug many times.

Our class is looking forward to the trip to Washington, D. C., when we are Juniors. To raise money for this purpose, we had a magazine sale.

Candidates for the annual Sweetheart Ball were Frank Hoy and Janet Landmark. A group of Sophomores also helped serve at the Junior-Senior Banquet.

This brings to a close our Class History. We hope that next year will be even bigger and better.

HOMECOMING

Chieftain and Princess

Donna Groos and Sherman Laubach

The Festive "Pow Wow" days this year began with the coronation of Sherman Laubach as marshall and Donna Groos as princess. The seniors of 1960 are very proud of their royalty. Sherman is an all around athlete and Donna was a cheerleader.

Previous to the coronation was the skit contest, which is an annual event. This year's skit prize was won by the junior class. The winner is given a cash prize. After the coronation everyone rushed out to find their favorite seat or spot for the homecoming parade which followed.

To climax this wonderful day, the 1960 homecoming, the homecoming football game was played. During halftime, the SHS band played and prizes were awarded to the winning floats. The homecoming dance finished this grand and glorious day.

National Science Foundation Grant

High school students looking at the new science equipment are John Peterson, Margaret Nelson and James Balvin.

Jennifer Keeble is shown viewing some of the new equipment purchased for 6A.

\$13,900 was earmarked for Sisseton High School as part of their National Education Fund for the 1959-60 year. This fund could be spent for science and math equipment in the current school year. This money is matched by the school for whatever amount is spent. So far this year the school has spent \$10,000 of this fund.

Various equipment has been purchased, and the school now has a new fully equipped Junior high science lab.

Part of the equipment purchased for the senior high science lab is: (1) class master radio activity tester, (2) model engine, (3) lamp board rheostat, (4) model radio set, and (5) refract meter. The teacher in charge of this equipment is Lyle Ginsbach.

Some of the equipment purchased for the sixth grade science and math department is: No. 2, electrical invention box, (3) tuning fork and magnet, (4) rock and mineral set, (5) rock from Canada, (6) giant ant farm, (7) pixie gyroscope top, (8) periscope, and many unnumbered fish plants. The teacher for 6A, in charge of this equipment, is Donald Lameyer.
